How Was Your Summer?

Like most people, the Investors Title team had a different summer from the one we envisioned earlier this year. Even as COVID-19 has greatly impacted our day-to-day, we had an unexpectedly high number of closings. This was only made possible by the collaborative effort of lenders, realtors and the ITC staff.

We are grateful for our clients who continue to trust us with their title and closing needs, as well as for our staff who go above and beyond every day. Take a look at what else is going on in the Investors Title world.

Curbside Closings Reinstated

On Monday, Aug. 9, we returned to conducting closings curbside-only at all of our locations, due to the recent surge of COVID cases in the region. Take a look at what to expect if you're closing at Investors Title.

Featured ITC Team Member

This month's employee spotlight is on Stephanie Zollner, branch manager of our Bluestone office in St. Charles.

Stephanie began her career at Investors Title in 1994 as a receptionist in Bridgeton. She was soon promoted and moved to processing and closing at the North office that year. In 1995, she moved to the Jefferson office in St. Charles, then to Bluestone where she manages today.

Outside of Investors Title, Stephanie has been married for 32 years and became a grandmother to Zoelle in April.

We are very grateful to Stephanie for her decades of hard work, dedication and expertise!
