Update On E-Signature Platform

Investors Title clients now have the option to sign documents via a new electronic signature platform (clients can still sign documents in-office if desired).

This e-signing option can minimize time at the closing table and offer a more convenient process for both buyers and sellers.

Our Closing and Safety Procedures

We are excited to offer both in-office and curbside closings! Vaccinated individuals do not need to wear a mask in the office, however, unvaccinated individuals will be required to wear a mask.

Our closers will still wear masks in the closing rooms, and all rooms will be properly disinfected after each use.
